

At Unique DJs we understand that your function is an important event, and keep you informed every step of the way. We can be contacted by email or phone, day or night, as customer service is very important to us.

You can request a quote and make a booking with us by phone, email or through our website. We will provide you with written confirmation of your booking, and you will be contacted by your DJ prior to your function.

At your function, your DJ is always on time, prepared and well presented. On the night we play the music you want to hear. All of our DJs carry a diverse range of music that is suitable for most age groups and pay special attention to the music that is requested.

Unique DJs is one of south east Queensland's premium DJ hire services, operating between the Sunshine Coast and Brisbane. With an emphasis on customer service and professionalism, we provide entertainment for weddings, birthdays, corporate functions and cocktail parties at reasonable rates.

Weddings

At Unique DJs we understand how important it is for your wedding day to run smoothly. Whether it's an intimate backyard reception with a few friends or a grand celebration with an impressive guest list, we have the experience and equipment to make your special day a success.

With Unique DJs, you can rest assured that the entertainment for your wedding will be in safe hands. We specialize in all styles of music, from subtle jazz playing in the background through dinner, to the party hits your guests will know and love.

We are uniquely flexible and will cater a music package to suit each couples individual requirements

All wedding packages include a meeting with your DJ where possible, and photos taken at your reception by your DJ are featured on Unique DJ's website for your family and friends to view and download.

Corporate Functions

Unique DJs provide services for

- Christmas Parties•
- Company Functions•
- Staff Parties•
- Product Launches•

These are all great opportunities to create an evening that is enjoyable and entertaining for your guests and employees.

Whether it be a formal product launch or a social event such as a staff party, we can create an atmosphere suitable for your event. By using Unique DJs you can be assured our impeccable standards of professionalism will impress your employees and clients alike.

Your DJ will also take photos at your function, which will be displayed on our website for your friends and colleagues to view and download at no additional cost.

Parties

Whether it be your 18th Birthday Party or your 50th wedding anniversary, Unique DJs will provide a great party atmosphere.

At your party, your DJ is always on time, prepared and well presented. On the night we play the music that you want to hear. All of our DJs carry a diverse range of music that is suitable for most age groups and pay special attention to the music that is requested.

Photos of your party, taken by your DJ are also displayed on our website at no additional cost.

We also have available digital video jukeboxes with karaoke .

Equipment

At Unique DJs, we provide professional sound equipment and lighting entertainment for parties, weddings, corporate functions and to venues.

We use only state of the art sound and lighting, and all equipment is commercial grade. CDs are used as our playback medium, to ensure your dance floor doesn't stop. Our Martin lighting effects help create an exciting dance environment without being over-bearing.

We also have the available equipment to provide a full club sound if required .
